MAIN FIELDS OF INTEREST

1. Tourism
2. Immigration
3. Air Transport
4. Urban Planning

CURRENT ISSUES OF RESEARCH

1. "Religious tourism and pilgrimage routes".

After a preliminary analysis on religious tourism and pilgrimage, mobility and religious spaces are the new part of the studies, with particular attention to the pilgrimage routes (Cultural Routes of the Council of Europe) and UNESCO World Heritage List (Sacred Mounts).

2. "Immigration and Work"

This research studies the immigration in Italy, with a focus on the work market (in particular immigration business).
