Instruction

Degree in Law at the University of Eastern Piedmont obtained on 21 July 2023 with a grade of 110/110 laude, mention and dignity of printing, with a degree thesis in Civil Law supervised by Prof. Davide Achille

Scientific high school diploma at Liceo Scientifico Galileo Galilei obtained in 2018

Objective

Doctor of Law. I am very determined and motivated to experiment with new working environments and acquire new skills. I am able to make use of my academic experiences, as well as personal ones, in order to manage different situations that arise in front of me.

Experience

01 March 2023- to present
Research Fellow at the University of Eastern Piedmont in European Contract Law

December 19, 2022- to present
Notary Trainee • BCCD Associated Notary Office

October 2022- July 2023
University Tutor • University of Eastern Piedmont

March 2023- July 2023
Student Assistant • University of Eastern Piedmont

Thanks to these different work experiences, I have had the opportunity to live in dynamic environments that have allowed me to improve my organizational skills, coordination, as well as support and management of initiatives promoted by the University.

Banns

"The new regulation of consumer contracts concerning digital content and services" published in the journal JUS CIVILE in issue no. 6 of 2023.

Primary Abilities
