PERSONAL PROFILE

Proactive and creative researcher
Experienced in working independently
Ability to meet deadlines and accurate recording and analysis
Teaching experience with students and some thesis informal supervision

POSITION

Post Doc Fellow in Political Philosophy at the University of Eastern Piedmont

EDUCATION

2011- 2015 – University of Verona, Dep. of Philosophy, Psychology and Pedagogy

PhD in Political Philosophy

Thesis: **Public Bodies: citizenship, motherhood and power starting from Mary Wollstonecraft**

The thesis analyzes the construction of motherhood between biopolitics and new medical technologies. The research traces the changes in medicine from the eighteenth century and relates them with the construction of the citizenship of women. In particular, it analyzes the thought of Mary Wollstonecraft, Barbara Duden and Angela Putino.

Defended the 28th of May 2015

Supervisor: Olivia Guaraldo

2008- 2011 - University of Milano, Dep. of Philosophy
