

Domenico Carbone

PERSONAL DATA

Born in Scicli (RG) on 07.12.1974

Residence: Nus (AO)

BIO AND EDUCATION

I get my high school degree in 1993 at the Liceo Scientifico G. Marconi di Scicli (RG) and my university degree in Sociology (magna cum laude) in 1998 at the University of Urbino with the thesis "Young people and the work. Concepts and expectations between the districts of Pesaro and Ragusa". Successively I attended the Phd course in Applied Sociology and Methodology of Social Research at the University of Milano Bicocca getting the degree in 2004 with the thesis "Uncertain paths. Trajectories of unemployment exit in Italy, Denmark, Germany and United Kingdom". After I have started my collaboration with several Universities (Urbino, Turin, Aosta, Eastern Piedmont) as researcher fellowship, teacher and assistant professor.

UNIVERSITY CAREER

2013-	Assistant Professor of Sociology at the Department of Law, Political, Economic, and Social Sciences of the University of Eastern Piedmont

MAIN FIELDS OF INTEREST

1. Social Inequalities
2. Gender Studies
3. Stratification and Social Mobility
4. Welfare Systems
5. Generational Differences

CURRENT ISSUES OF RESEARCH

1. National survey on women municipal counsellors in Italy

The research aims to investigate the female political representation at local level in Italy. The data collection has been made through a web survey on women municipal counsellors with the purpose of analysing their opinions and perceptions on equal opportunity and which is the place of these themes within the political agendas of women elected.

2. Gender differences in educational choices and professional expectations

The research aims to investigate the gender differences within the relationship between educational choices and professional paths. In detail the research wants to analyse which is the relationship between the gender differences and the parents' socio-economic background on the different school-to-work trajectories

TOP FIVE PAPERS

1. "Neo-liberalism in the Italian University: Encroachment and resistance", in Cultural Studies - Critical Methodologies, 2016, con Scacchi L. Benozzo A. e Monaci M.
