

CARLOTTA PALUMBO, M. D.

PERSONAL DETAILS

First and Last name	Carlotta Palumbo
Current address	[REDACTED]
Place and date of birth	[REDACTED]
Nationality	Italian
Phone number	[REDACTED]
E-mail address	palumbo.carlotta@gmail.com
Skype address	[REDACTED]
Languages	Italian (mother tongue) English (C1 – IELTS 7.0) French (A2)
Licenses	Full license to practice from Italian Boards of Medicine since March 2013 (section of Como, number 6230) Full registration with license to practice from General Medical Council (UK) from July 2014 to June 2016 (number 7479705) Full registration without license to practice from General Medical Council (UK) since June 2016 (number 7479705)

EDUCATION AND QUALIFICATIONS

June 2023. National scientific qualification as Associate Professor in Urology from the Italian Ministry of University Education and Research (Ministero dell'Istruzione dell'Università e della Ricerca - MIUR) in the call 2021/2023 (Ministerial Decree n. 553/2021 and 589/2021) for the disciplinary field of 06/E2 - Plastic and paediatric surgery and urology. (Academic Recruitment Field 06/E - Surgical specialities, according to the national classification).

November 2021. FEBU Diploma. Fellow of the European Board of Urology.

December 2014 – January 2020. Residency in Urology. University of Brescia, Brescia, Italy. Urology Unity, Spedali Civili Hospital of Brescia, Brescia, Italy. Degree grade: 50/50. Final thesis “Changes in bone mineral density, lean body mass and fat body mass, as measured by dual-energy x-ray absorptiometry, in prostate cancer patients without bone metastasis treated with degarelix: a pilot phase IV study”. Supervisors: Prof Claudio Simeone and Prof Alessandro Antonelli

November 2012 – February 2013. Internship for medical license. Faculty of Medicine and Surgery. University of Milan, Milan, Italy

October 2006 – July 2012. Master’s degree in Medicine and Surgery. Faculty of Medicine and Surgery. University of Milan, Milan, Italy. Degree grade: 110/110. Final thesis “Robot-assisted radical prostatectomy with posterior reconstruction according to Rocco: perioperative and functional outcomes”. Supervisors: Prof Augusto Maggioni and Prof Bernardo Rocco.

September 2001 – July 2006. High school diploma (classic curricula). Liceo Classico Stefano Maria Legnani, Saronno, Italy. Degree grade: 94/100

WORK EXPERIENCE

December 2021 – present. Assistant professor in Urology (Ricercatore a tempo determinato tipo A). Department of Translational Medicine. University of Eastern Piedmont, Novara. Italy.

March 2020 – present. Urologist. Staff member at Urology Unit Azienda Ospedaliero Universitaria Maggiore della Carità of Novara. Italy. Chief: Prof Alessandro Volpe

December 2014 – January 2020. Urology resident. University of Brescia, Brescia, Italy. Urology Unit, Spedali Civili Hospital of Brescia, Brescia, Italy. Chief: Prof Claudio Simeone. Supervisor: Prof Alessandro Antonelli

September 2018 – August 2019. Research Fellowship (12 months). Cancer Prognostics and Health Outcomes Unit, Centre de recherche du Centre Hospitalier de l'Université de Montréal, Montréal, Québec, Canada. Supervisor: Prof Pierre I Karakiewicz

November 2012 – October 2014. Clinical attachment. Urology Department, IRCCS Ca' Granda Ospedale Maggiore Policlinico of Milan. Chief: Prof Francesco Rocco. Supervisor: Prof Bernardo Rocco

CLINICAL SKILLS

Committed to patient centered care and patient's well-being, understanding what is important to the patients and their families. Able to respect for the patient's values and preferences.

Excellent management and team-work skills. Good interpersonal skills to effectively interact with several health and not-health care professions at all organizational levels.

Daily activities in ward rounds, outpatient clinic and operatory theater. Able to deal with urological emergencies during on call. Independent with endoscopic procedures (more than 200 as first operator among transurethral resection of the bladder, transurethral resection of the prostate and ureteroscopy) and minor urological surgeries (more than 300 as first operator among circumcision, varicocelelectomy, hidrocelelectomy and orchiectomy). Independent bed-side assistant during robot-assisted surgeries (more than 500 among radical prostatectomy, partial nephrectomy, radical nephrectomy, pyeloplasty, nephroureterectomy). Confident with all major open and laparoscopic urological surgeries (more than 20 as first operator under supervision and more than 100 as first assistant among radical nephrectomy, radical cystectomy and lymph node dissection). Since 2023, start of robotic curriculum as console surgeon for robot-assisted radical prostatectomy.

Since 2021, habilitation to kidney donor nephrectomy and renal transplantation from Regional Transplant Center of Piedmont and Aosta Valley regions ("Centro Regionale Trapianti, Regione Piemonte e Valle d'Aosta, Azienda Ospedaliero Universitaria Città della Salute e della Scienza di Torino").

Responsible of the outpatient clinic activities of follow-up and treatment of urothelial cancer. Responsible urologist of the multidisciplinary team for discussion of urological oncology cases.

RESEARCH ACTIVITIES

Research lines focus on urologic oncology, minimally-invasive urological surgery and clinical epidemiology. Strong written and verbal communication skills, project management skills, computer skills, and database skills that lead to publications of several articles, as well as presentations of data during both national and international congresses.

Good ability in medical writing. Specifically: ability in translating ideas and research projects into original articles, case reports, systematic reviews and meta-analysis, letter to the editor and book chapters.

Good knowledge of statistics and statistical analysis. Good experience with R software environment for statistical computing and graphics for moderate to complex data manipulation. Good knowledge of Microsoft Office (Word, Excel e PowerPoint). Good knowledge of medical databank sources (Pubmed, Medline, Embase, Cochrane Library) and population databases (Surveillance, Epidemiology, and End Results database e National Inpatient Sample database).

Good ability in clinical data management. Specifically: management of data collection and validation; statistical analysis and clinical interpretation of data; elaboration and writing of research protocols.

Co-investigator of the following research protocols:

- *A pilot phase IV study to evaluate variation in bone mineral density, lean and fat body mass measured by dual-energy x-ray absorptiometry in patients with prostate cancer without bone metastasis treated with Degarelix.* NCT03202381. Principal investigator: Alessandro Antonelli, MD. Monocentric. Status: completed (25/06/2017-12/03/2020).

- *Assessment of bone response after LHRH-A and Enzalutamides plus minus Zoledronic Acid in prostate cancer patients with hormone sensitive metastatic bone disease: a prospective, phase II, randomized, multicenter study.* NCT0333698. Principal investigator: Alfredo Berruti, MD. Multicentric. Status: not recruiting (01/12/2017-ongoing).

- *The path of diagnosis and treatment of bladder cancer within the Oncologic Network of Piedmont and Aosta Valley. A project of Audit and Feedback within the EASY-NET program.* Principal investigator: Giovannino Ciccone, MD. Multicentric. Status: ongoing (01/05/2022-present).

- *Oncologic Network of Piedmont and Aosta Valley. Genitourinary cancer section: production of clinical recommendation and organization documents.* Collaborator of the kidney cancer group. Status: ongoing (01/04/2022-present).

Reviewer for the following journals: Journal of Urology, European Urology Focus, European Urology Open Science, European Urology Oncology BJU International, Urologic Oncology: Seminars and Original Investigations, Minerva Urology and Nephrology, World Journal of Urology, BMC Urology, Journal of Geriatric Oncology, Clinical Epidemiology.

GRANT

July 2023 – present. Next Generation Clinician Scientist Award 2022 from the AIRC Foundation for Cancer Research in Italy. ID Project 28402. Title: “Development of artificial intelligence-based multiplex network for individualized risk stratification of prostate cancer”. Role: Principal Investigator.

Funding: 01/07/2023 - 30/06/2028

Amount Awarded: 1,489,790.5 euro

TEACHING ACTIVITIES

Academic year 2020/2021 – present: tutor for Urology residents from the Urology residency program of the University of Turin at Maggiore della Carità Hospital in Novara, Italy.

Academic year 2021/2022 – present: in charge of the course of “Evidence based medicine in urology” in the Residency program in Urology of the Universities of Torino and Eastern Piedmont, Italy.

Academic year 2022/2023 – present: in charge of the course of “Integrated course of interventional radiology, module: Urology” in the 3rd year of the degree course in Radiologic Technology at the University of Eastern Piedmont, Novara, Italy.

Academic year 2022/2023 – present: in charge of the course of “Integrated course of medical-surgical nursing, module: Urology” in the 2nd year of the degree course in Nursing at the University of Eastern Piedmont, Novara, Italy.

Academic year 2023/2024 – present: in charge of the course of “Integrated course of Surgery, module: Urology” in the 6th year of the degree course in Medicine at the University of Eastern Piedmont (detached school of Alessandria, Italy).

MEMBERSHIPS

January 2015 – present: member of the Società Italiana di Urologia (SIU) – Italian Society of Urology

January 2016 – present: member of the European Association of Urology (EAU)

December 2022 – present: associate member of the EAU Young Academic Urologists – Renal Cancer Working Group

March 2023 – present: associate member of the EAU guidelines – Renal Cell Carcinoma panel

AWARDS

- February 2017. Best Video “Robot-assisted partial nephrectomy and bilateral pyelolithotomy of ectopic pelvic kidneys”. 16^o National congress of the Italian Endourology Association. Padua, Italy.
- May 2017. Best Italian Abstract Award “Perioperative morbidity of clamp vs off-clamp robotic partial nephrectomy: preliminary results from a multicentre randomized clinical trial (the CLOCK study)”. Annual congress of the American Urological Association. Boston, United States.
- December 2017. Best Poster “Positive surgical margins predict progression-free survival after nephron sparing surgery for renal cell carcinoma: results from a single centre cohort of almost 500 cases with a minimum follow-up of 5 years”. Annual congress Società Urologia Nuova. Palermo, Italy.
- March 2018. Best Poster Session - Urology in the Elderly “Outcomes of partial versus radical nephrectomy in octogenarian patients: Results from the RESURGE project”. 33rd Annual congress of the European Association of Urology. Copenhagen, Denmark.
- May 2018. Best Poster Session - Prostate Cancer: Localized: Surgical Therapy II “Outcomes of a phase III randomized controlled trial comparing preventive versus delayed ligation of dorsal vascular complex during robot-assisted radical prostatectomy”. Annual congress of the American Urological Association. San Francisco, United States.
- May 2018. Best Poster Session Kidney Cancer: Localized: Surgical Therapy V “Outcomes of partial versus radical nephrectomy in octogenarian patients: results from RESURGE project”. Annual congress of the American Urological Association. San Francisco, United States.
- October 2019. Best Video Session New technologies and robotic applications for benign prostatic disease: “Robot-assisted diverticulectomy and urethra-sparing simple prostatectomy”. 92^o Annual congress of Italian Society of Urology. Venice, Italy.
- January 2022. Winner of Renal Cancer Table during STEPS (Session To Evaluate progresS) program. ESOU22 - 19th Meeting of the European Section of Oncological Urology. Webinar.
- October 2022. Best Video Session Smart communication and video kidney, upper tract and transplantation

“Endoscopy-assisted robotic ureteroplasty with buccal mucosa graft for long ureteral strictures”. 92^o Annual congress of Italian Society of Urology. Riccione, Italy.

COURSES AND CONFERENCES

- . 4th World top communication of the year in genitourinary oncology. Arezzo, Italy 2015
- . 88th National Congress of the Italian Society of Urology. Riccione, Italy 2015
- . 3rd Conference on Active Surveillance for Low Risk Prostate Cancer. Milan, Italy 2016
- . 31st Annual Congress of the European Association of Urology. Munich, Germany 2016
- . XXVI National Congress of the Italian Society of Urologic Oncology. Florence, Italy 2016
- . 13th Meeting of the EAU Robotic Urologic Section ERUS. Milan, Italy 2016
- . 2nd Summer school with the Italian Society of Urology and the American Urological Association. Venice, Italy 2016
- . 89th National Congress of the Italian Society of Urology. Venice, Italy 2016
- . 5th World top communication of the year in genitourinary oncology. Arezzo, Italy 2016
- . IV Young specialist renal care. Bologna, Italy 2017
- . 16th National Congress of the Italian Endourology Association. Padua, Italy 2017
- . 32nd Annual Congress of the European Association of Urology. London, Great Britain 2017
- . XXVII National Congress of the Italian Society of Urologic Oncology. Naples, Italy 2017
- . Annual Congress of the American Urological Association. Boston, United States 2017
- . Annual Congress of the International Continence Society. Florence, Italy 2017
- . EAU update on Prostate Cancer 2017. Wien, Austria 2017
- . 3rd Summer school with the Italian Society of Urology and the American Urological Association. Naples, Italy 2017
- . 90th National Congress of the Italian Society of Urology. Naples, Italy 2017
- . Congress of Urology Residents of Lombardy. Milan, Italy 2017
- . 33rd Annual Congress of the European Association of Urology. Copenhagen, Denmark 2018
- . Clinical trials: methodology – Modul5 1 to 4. Negrar, Italy 2018
- . Annual Congress of the American Urological Association. San Francisco, United States 2018
- . EAU update on Bladder Cancer 2018. Munich, Germany 2018
- . Annual Congress of the American Urological Association. Chicago, United States 2019
- . 17th European Urology Residents Education Programme. Prague, Czech Republic 2019
- . 92nd National Congress of the Italian Society of Urology. Venice, Italy, 2019
- . Urological Society of Australia and New Zealand Trainee Week 2019 (selected as EAU delegate). Brisbane, Australia 2019
- . 3rd Updates on genitourinary cancer symposium organized by the Italian Society of Urology. Webinar, Italy 2020
- . 18th Meeting of the European Section of Oncological Urology. Webinar, 2021
- . 4th Updates on genitourinary cancer symposium organized by the Italian Society of Urology. Webinar, Italy 2020
- . 2nd Masterclass in Uro-Oncology organized by the Italian Society of Urology. Webinar, Italy 2020
- . 19th Meeting of the European Section of Oncological Urology. ESOU22. Webinar, 2022
- . 1st Young-Onco-GU congress. Verbania, Italy 2022
- . 37th Annual Congress of the European Association of Urology. Amsterdam, The Netherlands 2022
- . Young Urologist Office Leadership Programme. Webinar, 2021/2022
- . 95th National Congress of the Italian Society of Urology. Riccione, Italy, 2022
- . 38th Annual Congress of the European Association of Urology. Milan, Italy 2023
- . 11th International Techno-Urology Meeting (TUM). Turin, Italy 2023
- . 2nd Young-Onco-GU congress. Verbania, Italy 2023
- . UROonco 2023. Gothenburg, Sweden 2023
- . 96th National Congress of the Italian Society of Urology. Rome, Italy, 2023

ORAL PRESENTATIONS

- . November 2016. Invited presentation *“My preferred prostate and testis communications at last AUA/EAU Meetings”* at 5th world top communication of the year in genitourinary oncology. Arezzo, Italy.
- . December 2016. Invited presentation *“Ring table. Clinical cases Second opinion”* at XVIII National Congress of Società di Urologia Nuova. Brescia, Italy

- September 2017. Invited presentation “Active surveillance, prostatectomy or radiotherapy? Revision of the current guidelines and most recent literature” at AGILE surgery days. Intensive course of minimally invasive radical prostatectomy. Brescia, Italy.
- December 2017. Invited presentation “Localized prostate cancer: active surveillance, prostatectomy or radiotherapy? Critical revision of the literature” at Congress of Urology resident of Lombardia. Milan, Italy.
- December 2017. Invited presentation “Clinical case context. Oligometastatic prostate cancer” at XIX National Congress of Società di Urologia Nuova. Palermo, Italy.
- April 2018. Invited presentation “Live surgery clinical case presentation and surgical strategy discussion” at Robot-assisted partial nephrectomy masterclass. Brescia, Italy.
- June 2018. Invited presentation “Open vs. laparoscopic vs. robot-assisted radical prostatectomy: current evidences from the literature” at Robotic and laparoscopy surgery in urologic oncology. Brescia, Italy.
- May 2019. Invited presentation “Open vs. laparoscopic vs. robot-assisted radical prostatectomy: results from the Pros-IT CNR study” at Minimally-invasive surgery in prostate and kidney cancer. Brescia, Italy.
- October 2019. Invited presentation “Take home messages” at 92nd National Congress of Italian Urological Society. Venice, Italy.
- December 2019. Invited presentation “Clinical case – Kidney, which role for local treatments: from small renal masses to metastasectomy” at Genitourinary cancers: clinical practice and innovations. Brescia, Italy.
- January 2020. Invited presentation “Changes in the treatment of prostate cancer” at 7th Congress of Urological Association of Lombardia. Milan, Italy.
- March 2022. Invited presentation “Cytoreductive nephrectomy and multidisciplinary approach” at Young-Onco-GU congress. Verbania, Italy.
- May 2023. Invited presentation “Local recurrence after partial nephrectomy” at Young-Onco-GU congress. Verbania, Italy.
- June 2023. Invited presentations “Case presenter of Panel discussion Local recurrence after nephrectomy”, “Case presenter of Panel discussion Management of VHL-related and other hereditary kidney cancers”, “Case presenter of Panel discussion Treatment of oligometastatic RCC”, “Best of Onco-Urology Journals: Kidney Cancer” at UROonco23 meeting. Gothenburg, Sweden.

PUBLICATIONS

Co-authors of 119 papers on peer-reviewed PUBMED indexed journals

Co-authors of 60 abstracts presented at national and international congresses
