EDUCATION

- Ph.D. (Doctoral of Philosophy), Heinz School of Public Policy and Management, *Carnegie Mellon University*, Pittsburgh, PA.
- Master of Philosophy, Heinz School of Public Policy and Management, *Carnegie Mellon University*, Pittsburgh, PA.
- Laurea in Economics, *Università di Torino* (Cum Laude, Honors and Distinction).

ACADEMIC POSITIONS

- (2000-to date) Department of Law, Economics, Political and Social Sciences, *Università del Piemonte Orientale*:
 - Full professor of Statistics for Economics, 2018 to date;
 - President of the faculty council of the Master Degree (Laurea Magistrale) in Economics, Management and Institutions, 2015 to 2023;
 - Associate professor of Statistics for Economics, 2004-2018;
 - Assistant professor of Statistics for Economics, 2001-2004;
- (2018) Visiting Associate Professor, *Toronto University*, Canada.
- (2013) Visiting Associate Professor, Glenn School of Public Affairs, *The Ohio State University*, USA. Course taught: “PUBAFRS 6080 Program Evaluation”, Master in Public Administration.
- (2010) Visiting Associate Professor, *University of California at Irvine*, Department of Criminology, Law and Society, USA, Course taught: “C215 Applied Statistics”, Master in Advanced studies.
- (2001 and 2003) Visiting Scholar, Heinz School of Public Policy and Management, *Carnegie Mellon University*, Pittsburgh, PA.
- (2000-2004) Member of the “Nucleo di Valutazione” (Evaluation Board) of the *Università del Piemonte Orientale*.

RECENT SCIENTIFIC AND RESEARCH POSITIONS

- Scientific Expert, member of the Steering Committee for the ex post evaluation of Cohesion policy programmes 2014-2020 financed by the ERDF, WP 6 SME support, *European Commission, DG-Regional Policy* (2022 to date).

- Scientific Expert, *European Commission, Evaluation Helpdesk 2014-20*. Member of the panel of European academic scientific experts for peer reviewing and guiding impact evaluation studies on EU Structural Fund spending in:
 - Romania, Bucharest (on-line meetings 2021 and 2022);
 - Slovak Republic, Bratislava (on-line meetings 2021 and 2020);
 - Ireland, Dublin (on-line meeting 2021);
 - Czech Republic, Prague (2020 and 2019);
 - Malta, La Valletta (on-line meetings, 2020 and 2021);
 - Greece, Athens (2020);
 - Finland, Helsinki (2019);
 - Estonia, Tallin (2017).
- Scientific Expert, responsible for the ex-post counterfactual impact evaluation analysis on take-up outcomes of the Investment Plan for the diffusion of Ultra-Wide optic fiber infrastructure in the white areas of Italy [EC approval, 30 June 2016, Decision C(2016) 3931], *PTSClass*, study commissioned by *Infratel Italia, Ministry of Economic Development* (2019-2022).
- Scientific Advisor, *Joint Research Center of the European Commission (EC), IPTS-Seville*: Counterfactual impact evaluation of the EU Framework Program funding on firms' innovativeness (2014-2016).
- Scientific Expert, *European research project INGRID (Integrating expertise in inclusive growth)*: Organizer and chair of the Public Policy Impact Evaluation Sessions of the Expert workshops. *Consortium of 16 European Universities and Research Centers* (2015).
- Appointed as Country Expert (for Italy) in the EU peer-review on Counterfactual Impact Evaluation of Public Policies, *European Commission, Mutual Learning Programme, Prague* (2014).
- Scientific Advisor, *European Commission, Directorate General Regional Policy*, Principal investigator for evaluating the impact of EU enterprise support programmes funded by the structural funds and the impact of EU cohesion policy funds on regional growth (2011- 2013).
- Member of the European Academic Panel appointed by the *European Commission, Directorate General Regional Policy* for reviewing the final evaluation report “Structural Change and Globalization” for the 2000-2006 EU cohesion policy programs (2009).

RESEARCH GRANTS, AWARDS AND FELLOWSHIPS

- EC, DG-Regional Policy. Principal Investigator. Research Grant n° 2014.CE.16.B.AT.099, “Ex post evaluation of the ERDF and CF programmes in 2007-2013, focusing on the European Regional Development Fund (ERDF) and Cohesion Fund (CF)” (2014-2015).

- EC, DG-Regional Policy, Principal Investigator. Research Grant n° 2010.CE.16.B.AT.042, “Counterfactual Impact Evaluation of Cohesion Policy. Work Package 1: Examples from Enterprise Support” (Grant recipient ASVAPP, Project Coordinator Alberto Martini; 2010-2012).
- MIUR, PRIN (Italian Ministry of University and Research, National Grants for “Research Project of National Interest”), Head of the Università del Piemonte Orientale Research Unit. Research project: “The evaluation of the net differential impact of alternative policy options, in the areas of incentives to enterprises and labour market policies” (2005-2007).
- MIUR, PRIN (Italian Ministry of University and Research, National Grants for “Research Project of National Interest”). Research project: “Exploiting across-region heterogeneity to evaluate the employment impact of business incentive policies in areas with declining industrial production” (2003-2005).
- MIUR, PRIN (Italian Ministry of University and Research, National Grants for “Research Project of National Interest”). Research project: “Evaluating the employment impact of the enterprise support policies in the EU areas with sharp industrial decline (EU Objective 2 areas)” (2001 -2003).
- Fellowship CNR (Italian National Research Council). Research Project: “Evaluating economic development incentives in declining areas: a comparison between US and EU policies” (2001).
- Fourth European Evaluation Society (EES) Conference Paper Mention. Paper awarded: “Evaluating decentralized policies: How to compare the performance of state and local economic development programs across different regions”(2000).
- NSF-National Science Foundation, Washington D.C., Doctoral Dissertation Research Grant SBR-9906894 awarded to the research project: “Firm Level Response to Geographically-Targeted Economic Development Incentives: Evidence from Enterprise Zone Programs”(1999).
- U.S. Department of Housing and Urban Development, Washington D.C., Doctoral Dissertation Research Award for the project: “Do Geographically-Targeted Development Incentives Revitalize Communities? Evidence from the State Enterprise Zone Programs”(1999).
- ICER (International Center for Economic Research), Torino, Fellowship. Research projects: “Statistical methods to evaluate geographically-targeted programs with firm-level business data”(1998).
- Compagnia di Sanpaolo, “Luciano Jona” National scholarship (1994-1995).

SELECTED CONFERENCE ORGANIZATION, CHAIRING, KEYNOTE SPEECHES AND PAPER PRESENTATIONS

- First NETCIEX -Network on Counterfactual Impact Evaluation- Workshop, Competence Centre on Microeconomic Evaluation (CC-ME) of the European Commission Joint Research Centre (JRC). *Session co-speaker*: “Fossil-Fuel Traffic Abatement and NO2 Urban Pollution: What Covid-19 Lockdown Predicts about the Benefits of the EU Zero-Emission Vehicles Resolution”, Ispra, 2023.

- 9th Conference on the Evaluation of EU Cohesion Policy, “Shaping Transitions with Evidence”, European Commission, Directorate-General Regional and Urban Policy. *Invited Speaker*: The use of Data for Evaluation, Porto, 2021.
- COMPIE 2021 -Counterfactual Methods for Policy Impact Evaluation-, European Commission's Competence Centre on Microeconomic Evaluation, University of Mannheim and Center for Evaluation and Development. *Session speaker*: “Does the Running Variable Matter? A Second Look at Discontinuity Designs for Evaluating Regional Economic Development and Business Incentive Policies”, On-line meeting, 2021.
- European Commission, Directorate-General Regional and Urban Policy – "Evaluation Network Meeting". *Invited Scientific Expert*: Sequential Difference in Difference (SEQDD) approach for impact evaluations. Bruxelles (on-line meeting), 2020.
- European Commission, “Executive Training for Managing Authorities on Impact Evaluation of Thematic Objective Interventions funded by EU Structural and Investment Funds”, *Invited Scientific Expert*: “Impact Evaluation on support to Small and Medium Enterprises”, Talling (on-line meeting), 2020.
- Université de Rennes I, XVI PEARL-Public Economics at the Regional and Local Level- workshop . *Invited speaker*: “Does the Running Variable Matters? A Second Look at Discontinuity Designs for Evaluating Regional Economic Development and Business Incentive Policies”, Rennes, 2019
- European Commission, State Aid Evaluation Workshop 2018. *Invited Speaker*: Evaluation of EU funded enterprise support in Portugal, Bruxelles, 2018.
- University of Maryland-Evaluation Review, Conference “Rigorous Evaluation in Europe”, *Plenary Session Speaker*: Evaluating firm-level support and regional economic development policies : A second look at discontinuity designs, Torino, 2018.
- University of Barcelona, AQR-IREA International workshop on regional and urban economics: “Causal inference in regional & urban economics methods and applications”, *Selected Speaker*, Barcelona, 2017; (<https://workshop2017aqr.wordpress.com/programme/>).
- European Commission, 2016 Conference “The Result Orientation at Work: Cohesion Policy at Work”. *Selected Speaker* in the session “Support to Enterprises”, Sofia, 2016; (video of the session available from the EC website: http://ec.europa.eu/regional_policy/it/policy/evaluations/conferences/evaluating-effects/#2).
- Joint Research Center, EC, European Conference “Compie 2016: Counterfactual Methods for Policy Impact Evaluation”. *Selected Speaker* in the sessions “Cohesion Policy” and “Firm Subsidies”, Milano, 2016; (<https://ec.europa.eu/jrc/en/event/conference/compie-2016>).
- Italian Statistical Society, 48th Scientific Meeting, *Chair and Organizer* of the solicited session “Statistical models for evaluating policy impacts”, Salerno, 2016; (<http://meetings.sis-statistica.org/index.php/SIS2016/home>).
- European Regional Science Association (ERSA) 55th Congress, *Selected Speaker* in the session “Counterfactual methods for regional policy evaluation”, Lisbon, 2015; (<http://ersa.org/events/55th-ersa-congress/>).

- European Commission (DG-Regional and Urban Policy) and Università La Sapienza, International Seminar “Evaluating the Impact of European Structural Funds: Is the Transfer Intensity Effective?”, *Selected Speaker*, Rome, 2015.
- Joint Research Center, EC, European Conference “Compie 2014: Counterfactual Methods for Policy Impact Evaluation”. *Conference Chair* for the session: “Credit and taxation policies”, Rome, 2014; (<https://ec.europa.eu/jrc/en/event/site/compie2014/programme>).
- Conference of the Regional Study Association, Research Network on EU Cohesion Policy. *Selected Speaker in the “Impact Evaluation” Plenary Session*, Prague, 2014.
- International Conference “Building Solutions to Poverty – Methods and Metrics for Identifying Success”. *Invited Speaker for the Plenary Session*: “Innovative Solutions to Poverty: Issues and Challenges in Poverty Measurement, Intervention Design, and Evaluation”, Columbus, OH, 2011; (<https://www.regonline.com/builder/site/default.aspx?EventID=985279>).
- Directorate General Regional and Urban Policy, EC, Conference on Counterfactual Impact Evaluation, *Selected Speaker* in the session “Examples from Enterprise Support from Italy”, Warsaw, 2011; (http://ec.europa.eu/regional_policy/archive/impact/evaluation/conf_warsaw_12122011_en.cfm).
- APPAM (Association for Public Policy Analysis and Management) Annual Research Conference. *Co-organizer of the session* “Effectiveness of Economic Development Vehicles”. Los-Angeles CA, 2008; (<http://www.appam.org/events/fall-research-conference/>).
- OCSE-European Commission conference “Evaluating local economic and employment development”, *Keynote Discussant for the Plenary Session* “Evaluating impacts on local economies: what has been done and what is doable?”, Vienna 2002.

REFEREE ACTIVITY

•Referee for articles submitted for publication in the following journals:

- Journal of Public Economics;
- Regional Science and Urban Economics;
- Journal of Empirical Economics;
- Economic Development Quarterly;
- International Regional Science Review;
- Journal of Development Economics;
- Urban Affairs review;
- Evaluation;
- National Tax Journal;
- Regional Studies;
- European Urban and Regional Studies;
- Evaluation Review;

-Economic Development Quarterly.

PUBLICATIONS

Journal articles (refereed)

TEACHING

•Graduate courses (leading instructor)

-*Program evaluation* (PUBAFRS 6080), The Ohio State University, Glenn School of Public Affairs, Master in Public Administration (2013).

-*Applied statistics* (C215), University of California at Irvine, Master in Advanced Studies, Department of Criminology, Law and Society (2010).

-*Statistical methods for empirical analysis applied to law*, IEL - International Ph.D. Programme in Comparative Analysis of Institutions, Economics and Law, Collegio Carlo Alberto, Torino (2007-2011).

-*Statistical methods to evaluate local public policies*, Master in Cultural Projects for development, U.N. International Training Center/ILO (2005-2008).

- Statistical methods for impact evaluation*, Ph.D. in Economics, Collegio Carlo Alberto, Torino (2005-2006).
- Statistical methods for impact evaluation*, School of the Italian Society of Statistics “Statistical models for evaluating educational curricula”, University of Firenze (2006 and 2008).
- Statistics for economics and program evaluation*, Department of Law, Economics, Political and Social Sciences, Università del Piemonte Orientale (2003- to date).
- Statistical methods for managerial decisions*, Department of Law, Economics, Political and Social Sciences, Università del Piemonte Orientale (2015- to date).
- Empirical tools for decisions*, Master in innovation and communication economics for the tourism industry, Università del Piemonte Orientale (2017).
- Quantitative methods for counterfactual evaluation studies*, Master in evaluation of regional economic development policies, Università di Catania (2011-12).
- Methods for counterfactual impact evaluations*, Master in policy evaluation, Università di Sassari (2012).
- Quantitative methods for health care management*, Master in economics and health care management, University of Torino (2005- to date)
- Quantitative methods for Public Policy Analysis*, Master in Public Policy Analysis, COREP (Università di Torino- Politecnico di Torino, 2001-2009).
- Statistical methods for evaluating public policies*, School of Political Science, Università di Torino (2007-2009).
- Statistical methods for economics*, Master in environmental and health economics, Università del Piemonte Orientale (2002-2004).
- Economic Principles of Policy Analysis*,(TA) Master of Public Management, Heinz School of Public Policy and Management, Carnegie Mellon University (1997-1999).

•***Undergraduate courses (leading instructor)***

- Econometrics*, Department of Law, Economics, Political and Social Sciences, Università del Piemonte Orientale (2003-2017).
- Statistical methods for evaluating public policies*, Department of Law, Economics, Political and Social Sciences, Università del Piemonte Orientale (2012 and 2017).
- Public policy analysis and evaluation*, School of Economics, Università di Torino (2003 and 2006).

PERSONAL INFORMATION

Born in 1968. Married, 2 children.

Updated: November 2023.
