MAIN FIELDS OF INTEREST

1. Social Representations, with particular reference to Social Work, Domestic Violence And Social Inequalities;
2. Evaluation and Practice Research in Social Work
3. Dynamics of Citizen Participation in Inclusive Decision-Making Processes
4. Families and Social Regulation of intra-family Conflict
5. Epistemology and Reflexivity in Social Work

CURRENT ISSUES OF RESEARCH

1. Building a Comparative Perspective on a Media Representation on Social Work.

Transnational research on representations of Social Work, users and social problems in the media comes from a partnership between the Social Work Departments of UK University (University of Hertfordshire), Germany (Catholic University of Cologne and Alice Salomon Hochschule, Berlin) and Italy (University of Piemonte Orientale), with funding of IASSW. The first results were presented at international conferences (European Social Work Research Conference, Bolzano, 2014; Ljubljana 2015; World Conference on Social Work, Education and Social Development; Seoul, South Korea, 2016) and national (Rome, 2015).
