## FURTHER INFORMATION

Vittorio Tigrino is the scientific coordinator of the “International Workshop on Applied History”, an annual meeting on History and Management of Local Heritage, organized from 2014 by the Universities of Eastern Piedmont and Genoa, together with local institutions and stakeholders. The first series of seminars ran from 2014 to 2017, in Toirano (SV), Ormea (CN), Pigna and Rocchetta Nervina (IM) and in Vercelli. The second series started again in January 2020, with a meeting held between Vercelli and Albano Vercellese (Parco Naturale delle Lame del Sesia).
