### RESEARCH EXPERIENCE IN INTERNATIONAL AND EUROPEAN PROJECT

30/05/2025 – ongoing **PAGENS: Pathways, Age, Generations in the Global North and South** (Horizon – MSCA-2024-SE-01-01 – MSCA Staff Exchanges).

The project involves 22 partners from the APASUN Francophone network, spanning ten countries: Colombia, Djibouti, Ethiopia, Madagascar, Burkina Faso, Togo, Canada, Finland, France, and Italy (including the DIGSPES Department – University of Eastern Piedmont) –

**Principal Investigator:** Prof Constance Perrin-Jolie, CNRS France.

**Role:**

**Work Package Leader** - “Representations of Age, Gender, Institutions”

**Co-leader** of Task 4.1 “Health, gender and sexuality” within WP4 “Embodiment, Health and Technologies”

**Main Task:**s member of steering committee, scientific coordination of Wp and task 4.1; coordination of mobilities and research fieldwork; research activities, including qualitative data collection; dissemination of research findings

2014 - 2016,

**Children’s Competence and Autonomy in Managing Illness: A Comparison between Children and Adult** (Funded by the Fondazione Cassa di Risparmio di Torino – Competitive Call.

International research collaboration between the Department of Law, Political, Economic and Social Sciences, University of Eastern Piedmont (PI: Prof Anna Rosa Favretto); the University of Sussex (PI: Prof. Nina Dune) and Université de Strasbourg (PI: Prof Nicoletta Diasio).

**Role:** Senior Researcher

**Main Tasks:** qualitative research; management and conduction of semi-structured interviews; data analysis; reporting; publication and dissemination activities

2008-2009, **Education, Diversité et Cohesion Sociale dans la Méditerranée - Phase III**  
Internazionale research project coordinated by Bureau de l'Unesco du Maghreb (Rabat), in collaboration with ISESCO (Rabat) and UNESCO Chair at the University of Bergamo (Italy).  
**Role:** Research Fellow of the Italian team (University of Bergamo – PI: Prof Paola Gandolfi)  
**Main Tasks:** qualitative research; management and conduction of focus group and data analysis

**RESEARCH EXPERIENCE IN NATIONAL PROJECT**

2023 – 2026 **Age-it – Ageing well in an Ageing society**  
Funded by the Italian National Recovery and Resilience Plan (PNRR)  
**Role:** Senior Researcher, Task 4 – **Ageism, Prejudice and Discrimination.**  
Member of the unit based at the Department of Law, Political, Economic and Social Sciences, University of Eastern Piedmont (PI: Prof Elena Allegri).  
The task is included in **Spoke 7 – Cultural and Political Dimensions of Ageing Societies**, within **WP1 – Justice Between Generations in an Ageing Society** (Work Package Leader: Prof. Elisabetta Galeotti, University of Eastern Piedmont).  
**Main Tasks:** participation in the design and scientific management of the research; data analysis; publication and dissemination activities

2023-in corso, **Participation and Integration of Migrants in Small and Medium Towns: Analysing Access and Accessibility of Social and Health Services through Structures, Networks and Narratives** (PRIN2022 – PNRR)  
Funded by Italian minister of University and Research  
**Role:** Senior Researcher  
**Main Tasks:** Coordination and implementation of local research activities; participation in project design; qualitative data collection and analysis; reporting and dissemination.

2019-2023, **Migrant children’s participation and identity construction in education and healthcare**  
PRIN 2017 - Italian Ministry of University and Research  
PI: Prof. Claudio Baraldi – University of Modena and Reggio Emilia  
**Role:** initially as Research Fellow, later as Tenure-Track Assistant Professor – RTD-B.  
Member of the local research unit at the Department of Law and Political, Economic and Social Sciences, University of Eastern Piedmont (PI: Prof. Anna Rosa Favretto).  
**Main tasks:** Participation in research design and coordination; qualitative data collection; interviews and ethnographic observation; data analysis and reporting; scientific dissemination.

2017-2019, **Establishment of a Network Aimed at Communicating and Reducing the Risk of Antimicrobial Resistance Transmission among Exposed Workers**  
Funded by INAIL – Italian National Institute for Insurance against Accidents at Work (Competitive Call)  
**Role:** Research Fellow (Postdoctoral Researcher)  
Member of the local research unit at the Department of Law and Political, Economic and Social Sciences, University of Eastern Piedmont (PI: Prof. Anna Rosa Favretto).  
National coordinating institution: Department of Veterinary Sciences, University of Turin (PI: Prof. Alessandro Mannelli).

Main tasks: Participation in research design and coordination; conduction of semi-structured interviews; analysis of qualitative data; contribution to reporting; scientific dissemination

2015-2017,

**Analysis of Monitoring, Prevention and Control Practices of Avian Influenza in Industrial Poultry Farms in the Veneto Region: A Pilot Study**

Funded by the Italian Ministry of Health – National Health Research Programme (Competitive Call).

**Role:** Research Fellow (Postdoctoral Researcher)

Member of the local research unit at the Department of Law and Political, Economic and Social Sciences, University of Eastern Piedmont (PI: Prof. Anna Rosa Favretto).

National coordinating institution: Istituto Zooprofilattico Sperimentale delle Venezie (National Coordinator: Dr. Stefano Marangon).

**Main tasks:** Participation in research design and coordination; conduction of semi-structured interviews; analysis of qualitative data; contribution to reporting; scientific dissemination

2013-2014,

**Male Underachievement in Education**

Funded by the University of Eastern Piedmont – Department of Law and Political, Economic and Social Sciences

**Role:** Research Fellow (Postdoctoral Researcher)

Research project coordinated by Prof. Maria Luisa Bianco.

**Main tasks:** Participation in research design and implementation; literature review; qualitative data collection and analysis; contribution to reporting and academic dissemination.

2012-2013,

RoPSH – Report on the Piedmont Health System

**Funded by the Piedmont Region – Social Sciences and Humanities Programme (Competitive Call)**

**Role:** Research Fellow (Postdoctoral Researcher)

Member of the local research unit at the Department of Law and Political, Economic and Social Sciences (DiGSPES), University of Eastern Piedmont, involved in the **Work Package Health in All Policies: Lifestyle Factors** (Local PI: Prof. Maria Luisa Bianco).

National Principal Investigator: Prof. Renato Balduzzi.

**Main tasks:** analysis of policy documents and institutional sources; qualitative research design; conduction of semi-structured interviews; contribution to reporting; scientific dissemination.

2007-2008,

Immigrant-Origin Adolescents in Italy: Values, Identifications, Consumption and Future Projects. Theoretical Approaches to the Integration/Exclusion of the “New Second Generations”

**PRIN 2006** – Italian Ministry of University and Research

**Role:** Research Fellow (Postdoctoral Researcher)

Member of the local research unit at the Department of Sociology, University of Padua (Local PI: Prof. Chantal Saint-Blancat).

National coordinating institution: Department of Social and Political Sciences, University of Milan (National PI: Prof. Enzo Colombo).

**Main tasks:** Participation in research design; qualitative research design; conduction of semi-structured interviews and focus group; contribution to reporting; scientific dissemination.

### **AWARDED RESEARCH CHAIR**

**Chaire Gutenberg Award, awarded by the Cercle Gutenberg and the Région Grand Est (France), 2023**

**Project title:** Maladies chroniques et parcours de soin à l'enfance et à l'adolescence : le rôle des Maisons de Santé

**Role:** Principal Investigator (sole recipient)

The project was carried out in collaboration with the research programme PASMAL (Passages d'âges et maladie chronique : les trajectoires de soins des 12-21 ans atteints de diabète de type 1 ou d'asthme – funded by l'Institut de Recherche en Santé Publique ) led by Prof. Nicoletta Diasio, University of Strasbourg et Prof Virginie Vinel, University of Franche-Comté.

### **TEACHING EXPERIENCE**

**Associate Professor – University of Eastern Piedmont “A. Avogadro” (DiGSPES Department)**

**April 2025 – present**

- Social Research Methodology – BA in Public Administration and Social Sciences
- General Sociology – BA in Professional Education

**Senior Researcher (RTDB) – University of Eastern Piedmont “A. Avogadro” (DiGSPES Department)**

**2022-mars 2025**

- Social Research Methodology – BA in Public Administration and Social Sciences
- General Sociology – BA in Professional Education
- Childhood Social Policies – MA in Society and Local Development

**Adjunct Lecturer – University of Eastern Piedmont & University of Turin**

**2002 – 2022**

Taught the following undergraduate and graduate courses across multiple programs (BA, MA, MSc):

- Sociology of Health (Nursing programs – University of Turin)
- Social Research Methodology (BA programs – Eastern Piedmont & Turin)
- General Sociology (Eastern Piedmont & Turin)
- Sociology of Family and Gender (Eastern Piedmont)
- Social and Gender Policies (Eastern Piedmont)
- Sociology of Gender Relations (Eastern Piedmont)
- Social Integration Processes (Eastern Piedmont)
- Ethnic Relations (Eastern Piedmont)
- Qualitative Research Methods (MA in Clinical and Community Psychology – University of Turin)

### **PhD PROGRAM INVOLVEMENT**

- Since 2024: Member of the Academic Board, PhD Program “Health, Medicine and Welfare in the Digital Society” – University of Magna Graecia, Catanzaro (in collaboration with the Polytechnic University of Marche).
- 12 February 2025: Lecturer in the first-year doctoral workshop “The Language of Care” – Polytechnic University of Marche, Ancona.

### **OTHER UNIVERSITY-LEVEL TEACHING ACTIVITIES (selected)**

- **2023** – Annual tutoring for students of the Master's Program “Supervision in Social and Health Services”, University of Eastern Piedmont.
- **2021** – Teaching seminar: “Health and Social Inequalities” (8 hours), Master's Program “Management for Social Work Coordination”, University of Eastern Piedmont.
- **2018** – Seminar: “Family Food Practices and Children's Agency” (3 hours), Bachelor's Program Food, Health and Environment, Department of Science and Technological Innovation, University of Eastern Piedmont.

- **2017** – Seminar: “Listening Methods and Techniques with Children” (4 hours), First-Level Master in Narrative Medicine, University of Eastern Piedmont.
- **2015–2017** – Seminar: “Introduction to Family Sociology” (8 hours), Master in Family and Community Nursing, University of Eastern Piedmont.

#### **UNIVERSITY-LEVEL TEACHING ABROAD**

- 15 November 2017 – Université de Strasbourg (Faculté de Sociologie) Guest lecture in the Master's Course “Dynamiques sociales et conflits: théories et terrain” Title: Construire le statut de patiente: la diagnostic médicale au croisement de savoirs (2 hours)
- 31 March 2017 – Université de Bourgogne / Franche-Comté (Laboratoire LASA-UBFC) Doctoral seminar for PhD students, Title: Méthodes d'enquêtes avec les enfants (2 hours)
- 16 June 2017 – University of Brighton (School of Health Sciences) Doctoral seminar “Sociology of Childhood Illness” (8 hours).

#### **INTERNATIONAL CONFERENCES AND WORKSHOP**

##### **1. Conference Presentations and Invited Talks**

##### **August 2025 – Rabat, ISA Conference**

*What Participation in Socio-Health Services? The Organizational Dimension of Services for Migrants Analysed through Representations, Structures and Networks*

Paper presentation at the International Conference “Knowing Justice in the Anthropocene”, 6–11 August 2025

##### **August 2024 – Porto, ESA Conference**

*Trust and Chronic Illness Management at School: Reflections from a Research with Children*

Paper presentation at the 15th ESA Conference “Tension, Trust and Transformation”, 27–30 August 2024

##### **July 2024 – Antwerp, European Society for Health and Medical Sociology**

*Doing Research with Children: Narrating Illness through Drawing and Vignettes*

Paper presentation at the International Conference “Intersectionality and Inclusion in Health”, 3–5 July 2024

*Counteracting the Spread of AMR: Building Common Knowledge in a One Health Perspective*

Paper presentation at the same conference

##### **May 2024 – Venice, General Meeting AGE-IT**

*Ageism in Health and Social Care? Preliminary Findings from a Qualitative Study in Northern Italy*

Presentation at the General Meeting “Age-It: Ageing Well in an Ageing Society”, 19–22 May 2024

##### **November 2023 – Toronto, American Anthropological Association**

Panelist in the roundtable “Thresholds and Age Transitions in Contemporary European Societies”

International Conference Transitions, 15–19 November 2023

##### **June 2023 – Turin, CoEval AMR**

*Barriers, Opportunities, Impact of Such Surveillance System*

Paper presentation at the Annual Meeting Convergence in Evaluation Framework for Integrated Surveillance of Antimicrobial Resistance, 26–27 June 2023

##### **May 2023 - Prague, ESA RN16 Midterm Conference Session**

Chair: “Doing Research with Children in a Pandemic Time”

*Rethinking the Children Chronic Illness Management at School: Making Visible the Everyday Life Work of Children*

Paper presentation at the International Conference “Sociology of Health and Medicine in the Public Arena

During the Covid-19 Pandemic and Beyond”, 24–26 May 2023

**August 2022 – Forlì, ESHMS Conference**

*The Management of Chronic Illness in the Covid Era: Type 1 Diabetes from the Children’s and Adults’ Point of View*

Paper presentation at the 19th Biennial Conference of the European Society for Health and Medical Sociology, 24–27 August 2022

**September 2021 – Barcelona, ESA Conference**

*Ethical Issues and Methodological Choices in Health Research with Children*

Invited paper presentation at the 15th ESA Conference “Sociological Knowledge for Alternative Futures”, 31 August–3 September 2021

**July 2021 – Tunis, Congrès International des Sociologues de Langue Française**

*Éthique et choix méthodologiques : la centralité de la réflexivité du chercheur dans la recherche en santé auprès des enfants*

Invited presentation at the international Webinar “La société morale”, 12–16 July 2021

**April 2021 – Besançon - University of Franche-Comté and University of Strasbourg**

*La place des Maisons de Santé Pluridisciplinaires dans les trajectoires des enfants et adolescents atteints de maladie chronique*

Invited presentation at the international Webinar “Passages d’âges et transitions dans le soin”, 6–7 April 2021

**April 2018 – Turin, University of Turin**

*To Adjust Illness to Life or Life to Illness? Children’s Experiences of Chronic Illness*

Paper presentation at ESA Mid-Term Conference “Health and Illness in the Neoliberal Era”, 18 April 2018

**March 2017 – Besançon, Université de Franche-Comté**

*Savoirs expert et savoirs profanes : la construction des compétences professionnelles des pédiatres dans la relation thérapeutique.*

Paper Presentation at International Workshop: “Désignation, habilitation et filiation dans le monde professionnel”, 30 Mars 2017

**August 2017 – Athens, University of Athens**

*Sharing Social Labour. Humanization in Hospital Treatment Between Organisational and Subjective Needs*

Paper presentation at the 13th ESA Conference “(Un)Making Europe: Capitalism, Solidarities, Subjectivities”, 30 August 2017

**Juin 2017 – Ancona, Polytechnic University of Marche**

*Même les enfants “comprennent”: les compétences des enfants dans la gestion des états de maladie*

Paper presentation at the European Conference “Système de Santé: Complexité et Nouveau Défis », 23 Juin 2017

**May 2016 – Lisbon, University of Lisbon**

*Children’s competences in the process of normalization of chronic illness*

Paper presentation at the ESA Mid-Term Conference “New directions in health care work and organization”, 20 May 2016

**April 2016 – Gandz, University of Gandz**

*Children’s competences and normalisation strategy: chronic illness through children’s and adult’s perspectives.*

Paper presentation at the International Conference “Child’s competences about chronic illness”, 11 April 2016

**September 2016 – Warsaw, University of Warsaw**

*Daily practices through vignettes and body maps.*

International Workshop: "Children's Competencies in Chronic Illness: Thinking Through Methods", 29 September 2016

**August 2015 – Prague, University of Prague**

*When differences become inequalities. The process of personalisation, familiarisation and normalisation in diagnosis, treatment and management of disease*

Paper presentation at the 12th ESA Conference "Differences, Inequalities and Sociological Imagination", 6 August 2015

**February 2015 – Strasbourg, University of Strasbourg**

*Compétence enfantines et santé: problèmes de définition et de collecte des données*

Paper presentation at the International Symposium "Corps, santé et maladie à l'enfance. Théories et Methods à l'épreuve des affections chroniques", 20 February 2015

**06.11.2015, Alessandria – Università degli studi del Piemonte Orientale**

*Le espressioni delle competenze infantili nelle esperienze di malattia.*

Convegno Internazionale "Io conosco delle cose su di me". Le competenze infantili nella salute e nella malattia" - Organizzazione e direzione scientifica del Convegno "Io conosco delle cose su di me". Le competenze infantili nella salute e nella malattia" – Alessandria, 6 Novembre 2015.

**May 2014 – Oulu, University of Oulu**

*Children's Competences and Health Practices*

Paper presentation at the 4th Conference "Childhood Studies Values of Childhood and Childhood Studies", 8 May 2014

**September 2014 - Birmingham – Aston University**

*Medicalization, Normalisation Practices and Negotiation in the Patient Career*

Paper presentation at the 46th Annual Conference of the British Sociological Association - Medical Sociology Group, 12 September 2014

**September 2014 – Cagliari, University of Cagliari**

*Gender and Schooling: The Construction of Male Identity*

Paper presentation at the International Conference "Going to School Today: School Choice and Transitions Between Family, School and Social Policies", 18 September 2014

**September 2014 – Turin, University of Turin**

*Gender, Health, Wellbeing and Children's Competences*

Paper presentation at the International Conference "Children in Different Life Contexts: Experiences, Citizenship and Wellbeing. Interdisciplinary Perspectives", 26 September 2014

**December 2014 – Strasbourg, Université de Strasbourg**

*Autonomy, Regulation of the Child's Body and the Construction of Parental Competence: Daily Hygiene Through the Lens of 'Play' and 'Work'*

Paper presentation at the International Study Day "Child Cleanliness in Europe Between Medicine, Politics and Education", 11 December 2014

**August 2013 – Turin, University of Turin**

*Dumb Bodies and Informed Bodies: Children's Skills in the Therapeutic Relationship*

Paper presentation at the 11th ESA Conference "Crisis, Critique and Change", 29 August 2013

**September 2013 – Toulouse, Université de Toulouse**

*Building 'Appropriate' Parenting in the Relationship Between Parents and Paediatricians*

Paper Presentation at the International Congress of Sociology of Law – Research Committee on Sociology of Law, International Sociological Association: Sociologie du droit et action politique, 4 September 2014

**September 2013 – Strasbourg, Université de Strasbourg-Metz**

### *Autonomy and Competence in Children's Health Practices*

Paper Presentation at the International Conference "Childhood and the Transition to Adolescence: Bodies and Age Categorisation", 19 September 2013

### **June 2012 – Milan, Università Cattolica di Milano**

*What do you do to be well?" Principles and methodology on children's health practices.*

Paper presentation at the II Global Congress for Qualitative Health Research "Engaging People in Health Promotion & Wellbeing", 29 Jun 2012

---

## **2. Conference and Workshop Organization**

### **June 2023 – Prague, ESA RN16 Midterm Conference**

Session Chair – "Doing Research with Children in a Pandemic Time"

### **November 2019 – Alessandria, University of Eastern Piedmont**

Scientific Director and Organizer – International Conference: "Children's Right to Health 30 Years After the UN Convention on the Rights of the Child"

### **December 2018 – Strasbourg, Université de Strasbourg (Laboratoire DYNAMÉ)**

Workshop Organizer – Journées d'étude: Sciences sociales et questions éthiques complexes dans la recherche auprès des enfants et des jeunes

## **NATIONAL CONFERENCES AND WORKSHOP**

### **1. Conference Presentations and Invited Talks**

#### **January 2025 – Forlì, University of Forlì**

*La salute pubblica tra rischi individuali e collettivi. Riflessioni ed evidenze per una lettura della prospettiva del corso di vita nel contesto della One Health*" Paper presentation at the AIS (Italian Association of Sociology) Conference "Uno sguardo di lungo periodo: la salute in una prospettiva di corso di vita", 16 January 2025.

#### **January 2023 – Naples, University of Naples**

*Ri-progettare il lavoro di cura: rendere visibile il "lavoro invisibile" dei bambini e delle bambine nella gestione del diabete di tipo1 a scuola* Paper presentation at the AIS Conference "Re(l)stituire il sociale", 19 October 2023

#### **May 2023 - Alessandria– University of Eastern Piedmont**

*Approccio sociologico e salute unica* - Paper presentation at the Conference organized by Inter-University Research Center Ambiente e società dell'Appennino "Ambiente e società attraverso la lente delle malattie infettive degli animali", 19 May 2023

#### **June 2023 – Ancona, Polytechnic University of Marche**

*Quale contributo delle scienze sociali all'approccio One Health? Riflessioni a partire da due studi di caso* - Paper presentation at the AIS Conference "I nuovi orizzonti della salute in prospettiva interdisciplinare: cervello, tecnologie, ambiente e trasformazioni sociali" 16 June 2023

*La gestione delle malattie croniche a scuola: un lavoro di cura che interseca età e genere* - Paper presentation at the same Conference

#### **October 2023 - Alessandria, University of Eastern Piedmont**

*Pratiche di cura e costruzione della fiducia: mettere a tema le interdipendenze nella relazione medico-paziente* Paper presentation at the Workshop "Violenza nella relazione di cura e vulnerabilità da contesto organizzativo", 23 October 2023

#### **October 2023 – Turin, University of Turin**

*La gestione delle malattie croniche a scuola* - Paper presentation at the Conference "La salute a scuola e la scuola in ospedale" Presentation of the research findings from the PRIN 2017 project "Migrant children's participation and identity construction in education and healthcare", 12 October 2023

**December 2023 – Alessandria, University of Eastern Piedmont**

*L'esperienza della cronicità a scuola* – Paper presentation at the Conference "La malattia cronica a scuola: costruire nuovi patti di cura con bambini e bambine". Presentation of the research findings from the PRIN 2017 project "Migrant children's participation and identity construction in education and healthcare", 7 December 2023

**May 2022 – Modena, University of Modena e Reggio Emilia**

*La gestione delle malattie croniche a scuola: il rapporto tra istituzione scolastica e sanitaria, minori e famiglie con background migratorio* - Paper presentation at the Conference "Il dialogo per l'integrazione ibrida. Narrazioni e promozioni dell'agency dei bambini di origine migrante", 26 May 2022

**November 2021 – Alessandria, University of Eastern Piedmont**

*I concetti di protezione e partecipazione nella ricerca con i bambini al tempo del COVID: alcune riflessioni di ordine etico-metodologico*. Paper presentation at the Seminar "Pandemia, Salute e Disuguaglianze Sociali", 8 November 2021

**July 2020 – Modena, University of Modena e Reggio Emilia**

*Il Mosaic Approach nelle ricerche sulla salute infantile: riflessioni metodologiche ed etiche*. Paper presentation at the Webinar "La ricerca qualitativa nella ricerca sulla partecipazione dei bambini migranti, 1 July 2020

**October 2020 – Pavia, University of Pavia**

*Costruire saperi comuni: il contrasto alla diffusione dell'antibiotico-resistenza in ambito zootecnico*. Paper presentation at the Mid-Term AIS Conference "Verso un nuovo senso comune? Trasformazioni, rotture e riconfigurazioni nella vita quotidiana", 2 October 2020

**28.01.2019, Turin – University of Turin**

*Realizzazione di un network finalizzato alla comunicazione e riduzione del rischio di diffusione dell'antimicrobico-resistenza nei lavoratori esposti. Riflessioni metodologiche sulla ricerca partecipata* - Invited paper presentation at the roundtable webinar held during the visiting professorship of Prof. Lis Alban (University of Copenhagen / Danish Agriculture & Food Council, ECVPH, ECPHM).

**May 2019, Cuneo, University of Turin**

*Il contributo della ricerca sociologica nell'analisi del rischio di antimicrobico-resistenza in allevatori. Partecipazione su invito*. Paper presentation at the Webinar "Analisi del rischio di malattie trasmissibili nella produzione primaria", 19 May 2019

**18.05.2018, Cuneo, University of Turin**

*Biosicurezza e percezione del rischio in allevamento avicolo: il contributo delle scienze sociali* Paper presentation at the webinar organized by the Postgraduate School in Food Inspection "Filiera avicola: un approccio integrato per tutelare le produzioni e il consumatore, 18 May 2018

**May 2018, Asti, University of Eastern Piedmont**

*Pratiche di partecipazione: le competenze infantili nelle relazioni terapeutiche*. Paper presentation at the Webinar "Il diritto partecipato alla salute. Bambini, adolescenti e adulti tra protezione e partecipazione". Paper presentation at the Conference "Il diritto alla salute dei bambini a scuola e nei contesti sanitari: pratiche di partecipazione", 7 May 2018

**May 2017, Milano, Università Cattolica del Sacro Cuore (Catholic University of the Sacred Heart)**

*"Questa storia è iniziata quando..."*. Le competenze infantili nella "rottura della normalità" dovuta a una malattia cronica. Paper presentation at the AIS Conference "Corpo, cura e salute", 24 May 2017

**October 2017, Naples, University of Naples**

*Costruire fiducia in tempi complessi: il caso delle vaccinazioni infantili obbligatorie*. Paper presentation at the Conference "Il populismo e le sue maschere", Giornata "Il populismo scientifico.

No-vax. Tra discorsi e strategie di salute pubblica", 20 October 2017

**May 2015, Modena, University of Modena e Reggio Emilia**

*Il "sentimento di capire": riflessioni sul concetto di competenze infantili in tema di salute e malattia.*

Paper presentation at the Webinar "La sociologia dei bambini e dell'infanzia in Italia. Teorie e ricerche", 29 May 2015

---

**2. Conference and Workshop Organization**

**December 2023 – Alessandria, University of Eastern Piedmont**

Scientific Director and Organizer - Conference "La malattia cronica a scuola: costruire nuovi patti di cura con bambini e bambine". Presentation of the research findings from the PRIN 2017 project "Migrant children's participation and identity construction in education and healthcare", 7 December 2023

**November 2021 – Alessandria, University of Eastern Piedmont**

Workshop organizer "Pandemia, Salute e Disuguaglianze Sociali", 8 November 2021

**May 2018, Asti, University of Eastern Piedmont**

Scientific Director and Organizer - Conference "Il diritto alla salute dei bambini a scuola e nei contesti sanitari: pratiche di partecipazione", 7 May 2018

**November 2015 - Alessandria, University of Eastern Piedmont**

Scientific Director and Organizer – Conference "“Io conosco delle cose su di me”. Le competenze infantili nella salute e nella malattia" - Organizzazione e direzione scientifica del Convegno "Io conosco delle cose su di me". Le competenze infantili nella salute e nella malattia", 6 November 2015.

**INTERNATIONAL ACADEMIC VISIT**

Visiting Professor, Faculty of Social Sciences – University of Strasbourg, France  
*October–November 2017*

**MEMBERSHIP IN ACADEMIC AND RESEARCH ASSOCIATION**

- Italian Sociological Association (AIS) – Member since 2016, Section: Sociology of Health and Medicine
- European Sociological Association (ESA) – Member (2011–2018; 2021–present)
- European Society for Health and Medical Sociology (ESHMS) – Member since 2022
- UMR 7367 Dynamiques Européennes (DynamE), Université de Strasbourg – Research associate since 2020
- CIRFSIA – Interdepartmental Centre for Research on Families, Childhood and Adolescence – Member since 2018
- Lab-SIA – Laboratory on Child and Adolescent Health, part of the Interdepartmental Centre for Health Management (CEIMS), University of Eastern Piedmont – Member since 2015
- Interdepartmental Centre for Studies on Environment and Society in the Apennines – Member since 2022
- UPOTELEMED – Interdepartmental Centre for Research and Training in Telemedicine and Digital Health, University of Eastern Piedmont – Member
- APaSuN International Research Network (Analyse des Parcours des Sud aux Nord) – Member

**EDITORIAL AND REVIEWING ACTIVITIES**

- Member of the Editorial Board of the *Revue des Sciences Sociales*
- Peer reviewer for the following academic journals:  
*Sociologia del Diritto, About Gender, Frontiers, Revue des Sciences Sociales, Rassegna Italiana di Sociologia, Salute e Società, Etnografia e Ricerca Qualitativa*
